SACE Board of South Australia
南澳教育证书委员会

Our mission is to provide an internationally respected certificate of education that gives students the capabilities to move successfully into further learning and work as confident and responsible citizens.

A World-Class Qualification

SACE International is a world-class pre-university program that prepares students for successful study in the world's top universities.

SACE International prepares students to be better learners, independent thinkers, and problem solvers.

The SACE International is the official senior secondary qualification of South Australia.

The SACE Board of South Australia

SACE International is administered by the SACE Board of South Australia, an independent statutory authority of the Government of South Australia.

The SACE Board of South Australia ('the Board') is the organisation that is approved by the South Australian Government to manage the SACE International and to award the qualification to successful students.

The Board is appointed by the Minister for Education and Child Development.

The Board is responsible for curriculum, assessment, and certification of the final years of secondary education.

我们的使命是通过提供国际认可的教育学历，将学生培养成为有学习和工作能力、有自信、有责任感的公民。
