

ENGLISH OPTIONS

The diagram below represents the possible English options that students might select as Stage 1 and Stage 2 subjects.

Note that many students will study English (E) at Stage 1 before opting for one of the Stage 2 subjects, i.e. English Literary Studies, English, Essential English, or English as an Additional Language (if they fulfill the eligibility criteria for this latter subject).

ELS	English Literary Studies
E	English
EE	Essential English
EAL	English as an Additional Language

Notes: * Eligibility criteria apply.

Note 2: Stage 1 Essential English, replaces the current Stage 1 English Pathways and Stage 1 Literacy, English as a Second Language (students who are new to the study of English), and Work and Community Life. There are no eligibility criteria for this subject.

Note 3: Students who are eligible to study English as an Additional Language are able to study the subject at Stage 1 and Stage 2. Previously entitled 'English as Second Language Studies' at Stage 2, this subject is designed for students who wish to study tertiary courses immediately after leaving school.
