SACE Board of SA Acting Chief Executive Jan Raymond wished students well as they embark on the final weeks of their school careers.

“Students have worked extremely hard throughout the year and have already completed 70 per cent of their work,” Ms Raymond said.

“It’s important that students give themselves the best possible chance to achieve their personal learning goals by remaining calm and focused for the last few weeks of their school lives.”

Students can view their SACE Results from 8.30am on Tuesday 19 December, in Students Online. They will receive official documentation from this date in accordance with local, national and international postal delivery schedules.

Students are encouraged to log in to Students Online well in advance of results day to confirm that their login details, and personal details, including their postal address for the posting of their hard copy results, are correct.

A flyer explaining how students can access their SACE results and reset their PIN is available on the [SACE website](#).
