

## Activating Identities and Futures – resubmission form

- To be completed only for those students who are resubmitting evidence of learning in the Stage 2 subject Activating Identities and Futures
- Email the completed form to [askSACE@sa.gov.au](mailto:askSACE@sa.gov.au)

Resubmitting students are defined as those wanting to submit modified evidence of learning in one or more assessment types(s) on the same topic as previously submitted. The maximum grade these students can be awarded is C-. This result will be reported as 'granted' on SACE documentation.

Resubmitting students will be placed in a separate assessment group by the SACE Board.

Students who resubmit evidence of learning in Activating Identities and Futures are eligible to use their result in this subject in the calculation of their Australian Tertiary Admission Rank (ATAR).

Please indicate which of the assessment type(s) will be modified by the student and resubmitted for assessment. This form must be signed by the principal or the principal's delegate and returned to the SACE Board Thursday 2 April for results due June.

Note that this is not an enrollment form; schools are required to re-enrol students in the Stage 2 Activating Identities and Futures in Schools Online.
