

WE ARE MORE

Young people are
learning a lot more
than we recognise.

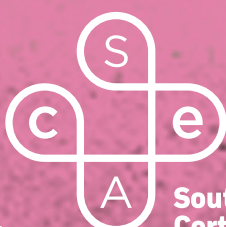

'I grew my hobby into a small eco-friendly business using social media, and now my Bento-sized cakes are made to order.'

Every young person knows more, does more, experiences and contributes more than we assess, measure and mark.

The SACE Board is designing a way to fairly and formally recognise more of what young people know and can do.

WE ARE MORE

Young people are
learning a lot more
than we recognise.

'Independent living means having
to make my own decisions and get
better at time management.'

Every young person knows more,
does more, experiences and
contributes more than we assess,
measure and mark.

The SACE Board is designing a
way to fairly and formally recognise
more of what young people know
and can do.
