# Performance Standards for Stage 2 Community Studies

	Planning and Organisation	Communication and Interaction	Fulfilment of Contract of Work	Reflection
A	Focused planning and exploration, and purposeful development of a contract of work with challenging and achievable individual goals, and clear strategies for completing the contract.  Insightful identification of existing knowledge and skills, including literacy and numeracy skills, and new knowledge and skills to be developed.  Thorough exploration of relevant capabilities and clear identification of one or more capabilities for focused development.	Proactive interaction with community contact(s), which includes inviting and responding to feedback to enhance the community activity and achieve goals.  Extensive and clear presentation of a record of evidence, including comprehensive reporting on the progress of the community activity against individual goals, and clear and focused development of one or more relevant capabilities.  Purposeful, insightful, and clear presentation of the community activity and its outcome to a community audience, using relevant knowledge and skills.	Completion of all work in a contract  Well-planned, organised, and significant practical action in the local or wider community.  Perceptive selection of a variety of appropriate sources, and application of highly relevant ideas and information to inform the community activity.  Focused and productive development and application of a range of specific knowledge, skills, and capabilities to efficiently and thoughtfully complete work in the contract.  Highly efficient and productive independent work and, where relevant, thoughtful and worthwhile contributions to shared learning situations.	In-depth evaluation and review of ongoing progress of the wider community activity against individual goals, with frequent justification of choices and actions in relation to the goals and purpose of the community activity.  Insightful reflection on the development of knowledge and skills, including the selected capability or capabilities, and their application to the community activity.  Explicit and insightful reflection on the value of the community activity to the student and to others.
В	Well-considered planning and exploration, and logical development of a contract of work with challenging and achievable individual goals, and several strategies for completing the contract.  Thoughtful identification of existing knowledge and skills, including literacy and numeracy skills, and new knowledge and skills to be developed.  Well-considered exploration of relevant capabilities and identification of one or more capabilities for focused development.	Constructive interaction with community contact(s), which includes inviting and responding to feedback to assist the progress of the community activity.  Thorough presentation of a record of evidence, including reporting on the progress of the community activity against individual goals, and clear development of one or more relevant capabilities.  Clear and thorough presentation of the community activity and its outcome to a community audience, using relevant knowledge and skills.	Completion of all work in a contract  Well-organised and appropriate practical action in the local or wider community.  Thoughtful selection of different appropriate sources and application of ideas and information relevant to the community activity.  Mostly productive development and use of specific knowledge, skills, and capabilities to thoughtfully complete work in the contract.  Mostly productive independent work and, where relevant, thoughtful contribution to shared learning situations.	Some depth in evaluation and review of ongoing progress of the community activity against individual goals, with justification of choices and actions in relation to the goals and purpose of the community activity.  Well-considered reflection on the development of knowledge and skills, including the selected capability or capabilities, and their application to the community activity.  Some depth in reflection on the value of the community activity to the student and to others.
