

Music Studies chat – 28 May 2020

16:08:14 From paul.monaghan242@schools.sa.edu.au : I'm assuming compositions refers to compositions or arrangements?

16:08:46 From bronwyn elsegood : Hi Paul, I think composition refers to either composition or arrangement

16:08:55 From Caroline Pomeroy : Hi Everyone

16:09:04 From paul.monaghan242@schools.sa.edu.au : Thanks Bronwyn

16:09:12 From Alana Bryett : Hi Caroline :)

16:11:21 From Caroline Pomeroy : The Ensemble and Solo meeting is scheduled for later in the term. There is a meeting today for Lead Practitioners and the the Subject Manager to plan for the meeting in a few weeks from now. I hope that dispels any concerns.

16:11:53 From thart@walford.asn.au : If there are only 2 Music Lit tasks is the word count still 2400?

16:12:35 From Antony Hubmayer : 5

16:13:06 From bronwyn elsegood : Yes please

16:14:10 From Caroline Pomeroy : In response to Trish's question around word count, if 2 pieces of work are submitted instead of 3, the word count would reduce by a third

16:14:29 From Peter.Gillard : Any reference to composition assumes arrangement also and visa versa

16:15:19 From Caroline Pomeroy : Keep in mind that the 2 minute composition task must be one of the pieces of work if reduced to 2 pieces

16:15:36 From paul.monaghan242@schools.sa.edu.au : Thanks Peter

16:17:33 From bronwyn elsegood : thanks for your response Martin, that's clear

16:25:06 From Alana Bryett : Sorry for the delay, I was still in class

16:28:15 From millas : Something for the other meeting: Solo Performance times have not been reduced, but every other subject has shortened times for performances and creative works. Are the Solo times likely to be reduced too?

16:30:24 From Jason Hammond : iso beard, Steve! 😊

16:35:19 From Paul Kolomitsev : Can you please include consideration for students who are still in isolation such as students O/S and or inter-state
